

MUNICIPALITY ACCOUNT

We will manage your Municipality Electricity Account for you. This is only one of our account offerings. No surprise accounts, no account hassles, no municipality queues, just pay for what you use.

MANAGE OWN USAGE

Put yourself in charge of your electricity usage. Remember, Pre-Paid Electricity is not cheaper, at most it is a mental shift. We provide the tools to help you!

ELECTRONIC TOKENS

Easy way to purchase your electricity tokens (E-Tokens). Simply make an electronic payment from the ease of your chair (either internet banking, mobile phone banking), and receive the electronic token minutes later...

IT IS AS SIMPLE AS THAT!

BUILDING MANAGEMENT

We provide an electricity management service for building-owners, letting agents and anyone letting out a flat, garden flat etc.

Pre-Paid Electricity Made Easy...

Why would you want Pre-Paid Electricity?
Lets first ask you a couple of questions...

- Are you tired of getting BIG surprises on your current utilities bill?
- Do you want to take control of your own electricity usage/expenditure?
- Do you want to save money?
- Do you want to "GO GREEN" and save the planet from total destruction? (Ok, that is a bit over the top!)

ElectroVend can assist you with a broad spectrum of services to help you with your Pre-Paid needs. Pre-Paid Electricity prevents those Municipal SHOCK accounts and a nasty bill at the end of the month. We provide a simple solution that is as old as the Drakensberg itself. Our Pre-Paid electricity solutions are there to help you! Our dedicated staff, are eager to assist you in making the best decision of the year! We provide the following;

- Convenience.
- No queuing.
- SMS/E-Mail delivery of Electronic Tokens (E-Token)
- After hours provision of E-Tokens (Additional Charges Apply)
- SABS approved equipment.

We are not just a Pre-Paid Electricity Provider, we are an Electricity Management company as well. One of our offerings is that we will take over your Municipality account and manage that for you. We will stand in queues and fight the fight, you just use the electricity you purchased.
